After-School Care

Introduction

A safe, happy and engaging place to end the school day

St George's International School offers an on-campus After-School Care (ASC) service providing a warm, secure and enriching environment for children from Nursery to Year 6. Operating daily from 15:15 to 17:30, the programme offers a balanced mix of relaxation, learning and enjoyable activities after the school day finishes.

Families have the option of three collection times – 16:30, 17:00 or 17:30 – which can be chosen during registration.

The cost is €125 per week (five afternoons) or €25 for a single afternoon. Fees are invoiced via Extras bills in November, March, May and July, and adjusted according to Luxembourg Government indexation.

Priority placement is given to:

- Families currently enrolled in ASC
- Single-parent families
- Households in which both parents work

Registration and de-registration

Registration opens in March-April for the following school year. Registrations are accepted after school begins in September, however places are allocated according to availability. Waiting lists are maintained year round.

Cancellations are accepted with two weeks' notice before the end of a term or half term to avoid charges for the remainder of that period.

To ensure smooth operation, parents are required to collect children on time. Late pickups past 17:30 (without extenuating circumstances) will incur a €50 charge per occasion, and continued lateness may result in the child's place being withdrawn.

A vibrant programme filled with engaging activities

Our ASC programme is designed to encourage creativity, curiosity and social development. Afternoons are carefully planned by our experienced team and include a rotating selection of activities.

- **Arts & Crafts**

Creative projects ranging from painting and sculpture to seasonal crafts.

- **Cooking & Baking**

Hands-on cooking sessions in which children prepare simple recipes and bring home their creations.

- **Sports & Active Play**

Gym activities, outdoor play, team games and structured sports to support physical wellbeing.

- **Games, Puzzles & Group Play**

Cooperative games, board challenges and construction activities that nurture teamwork and problem-solving.

- **Quiet Corners & Relaxation**

Cosy spaces for reading and calm activities for children who prefer a peaceful end to the day.

Flexible for busy families

Many students participate in extra-curricular clubs. Children may attend their club first and then join the ASC service afterwards – all at the same daily rate of €25.

A safe, caring environment

Our qualified, friendly staff ensure every child feels comfortable, supported and confident. With familiar surroundings and consistent routines, children settle quickly and parents enjoy complete peace of mind.

We prioritise:

- **Safety & Wellbeing**

Continuous supervision and professional, caring oversight.

- **Social Development**

Mixed-age activities fostering friendships, collaboration and confidence.

- **Happiness First**

We aim for every child to finish each day smiling.

Join us for fun-filled afternoons

Whether your child enjoys sports, crafts, cooking, exploring or simply relaxing with friends, St George's ASC service provides a joyful and enriching end to the school day.

We look forward to welcoming your child into our caring after-school community.
