

# Getting Settled

Luxembourg

**EVENT INFORMATION**

MEDIA PARTNER

# GETTING SETTLED IN LUXEMBOURG

**Who is it for?** People new to Luxembourg and those who have been here for up to five years

**What is it?** An event that brings the services and information that newcomers need under one roof. There will be exhibitors as well as workshops, talks and Q&A sessions

**When is it?** Saturday, 14 March 2026 (11:00-16:00)

**Where is it?** St George's Elsy Jacobs building – sports hall for exhibitors and classrooms for workshops

**Why will visitors attend?** Luxembourg can be a confusing place for newcomers and many learn lessons the hard way in their first few years of being here. This event will help to remove the confusion by providing the information people need to start their new lives here in the smoothest way possible.

**Why should you take part?** Getting Settled in Luxembourg gives you direct access to a highly motivated audience of newcomers who are actively seeking the services, products and community connections that will shape their new lives. This event places your organisation at the centre of their journey, giving you the opportunity to build trust early, showcase your offers and turn first impressions into long-term relationships.

# EXHIBITORS

We will be inviting many companies to exhibit at our event from the following industries:

- Banks
- Sporting clubs
- Community organisations
- Government providers (CNS, communes, etc)
